060 Green

050 Blue

080 Brown

070 Black (ORALITE® 5700 only)

# ORALITE® 5710

## Engineer Grade Premium

**Glass bead reflective film** designed for production of traffic signs for long-term outdoor exposure.

### Product benefits include:

- The ideal film if a slightly higher reflectivity is needed than in a standard Engineer Grade material
- Weather proof
- 7 years outdoor durability
- Alkyd resin surface
- Compliance to EN 12899-1
- CE certified
- Class RA1, design A
- Excellent printability (Screen printing with ORALITE® 5018)
- Lettering film: We recommend ORALITE® 5071
- Transparent film: We recommend ORALITE® 5051

*The material is also available without a watermark (ORALITE® 5700)*

*The material is strictly intended for adhesion onto even metallic surfaces, such as aluminum and galvanized steel.*
